

Invest in Credit Unions' Future Through the New Mexico Credit Union PAC

There has never been a more crucial time for you to become politically involved on behalf of credit unions. After putting in place all kinds of consumer unfriendly fees and policies, banks are now engaging credit unions in an intense battle, employing vigorous political and legislative tactics in efforts to limit how we serve our members. Action must be taken! The New Mexico Credit Union PAC (NMCU PAC) is the PAC for the Credit Union Association of New Mexico (CUANM). NMCU PAC's purpose is to provide the opportunity for individuals interested in the future of the credit union movement to contribute to the support of worthy candidates for state office who believe, and have demonstrated their belief, in the principles to which the industry is dedicated. NMCU PAC accomplishes its mission by contributing to and supporting state candidates and committees that support the credit union movement. For the 2010-2012 election cycle, NMCU PAC spent more than \$40,000 supporting credit union-friendly candidates, ranking it among the largest and most active PACs in the state.
