

CUANM Strategic Planning Services powered by Business Evolutions

Do you want to focus on your credit union's strategic initiatives?

Dreading the thought of another two-day "strategic planning session"?

Juggling member demands and unusual economic conditions leaves little time to focus on the strategic thinking critical to your credit union's success. Business Evolutions maximizes strategic thinking with a high impact process that wraps education, implementation and accountability around a powerful planning workshop. Find out more about CUANM Strategic Planning Services provided by Business Evolutions [here](#) .
